

To design a captivating space, use an elegant product.
To craft an elegant product, begin with a magnificent material.
Oak; here is where our story starts.

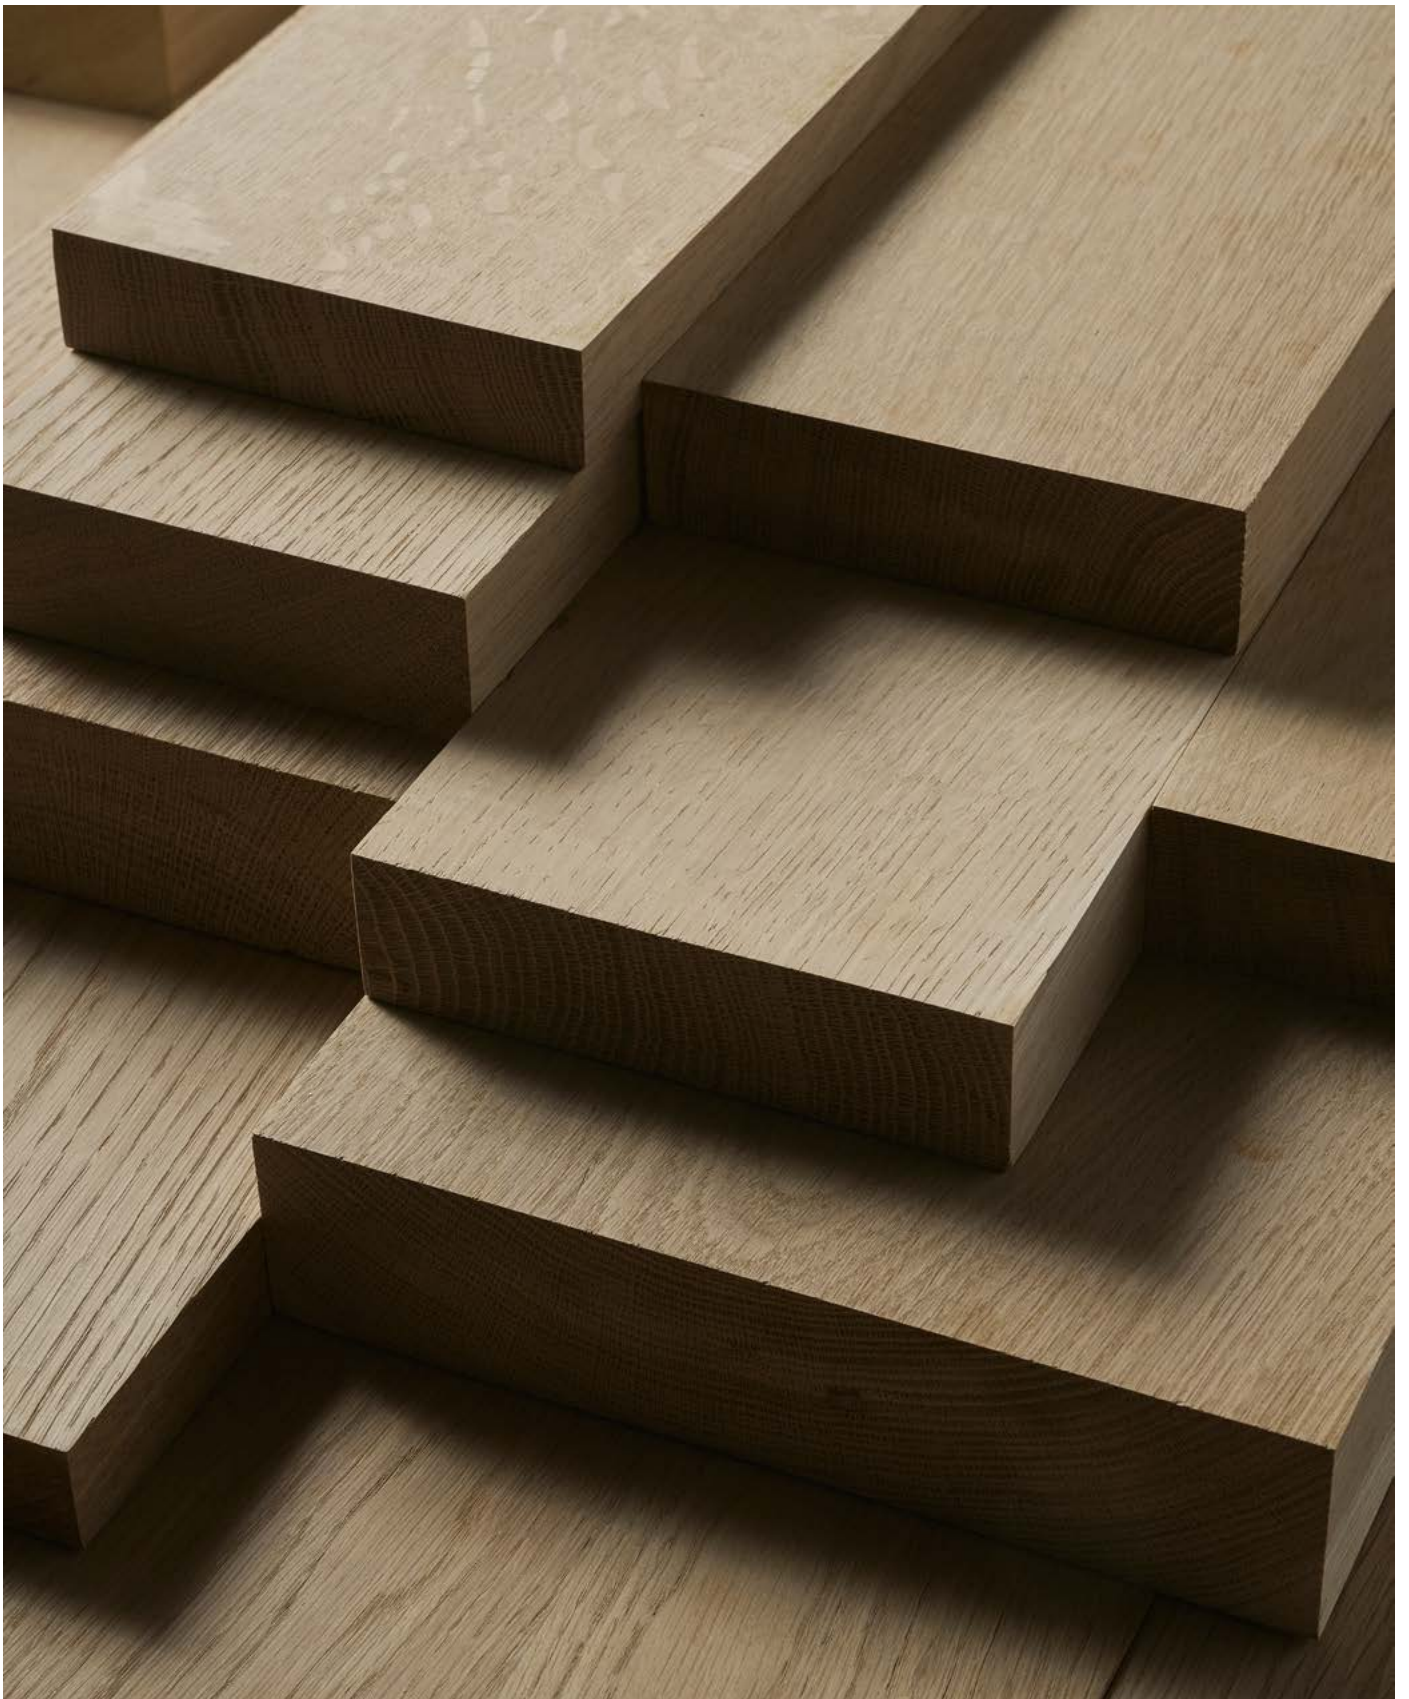

Over twenty years ago, Royal Oak Floors was just the seed of an idea. Our founder, Kim Harper, fell in love with oak in his days working as an antique furniture restorer. Crafting each curve meant exercising the art of imperfection. And unfolding in the wood grain, was a unique story. In just the same way, Kim's goal was for our engineered oak floors to have their own signature.

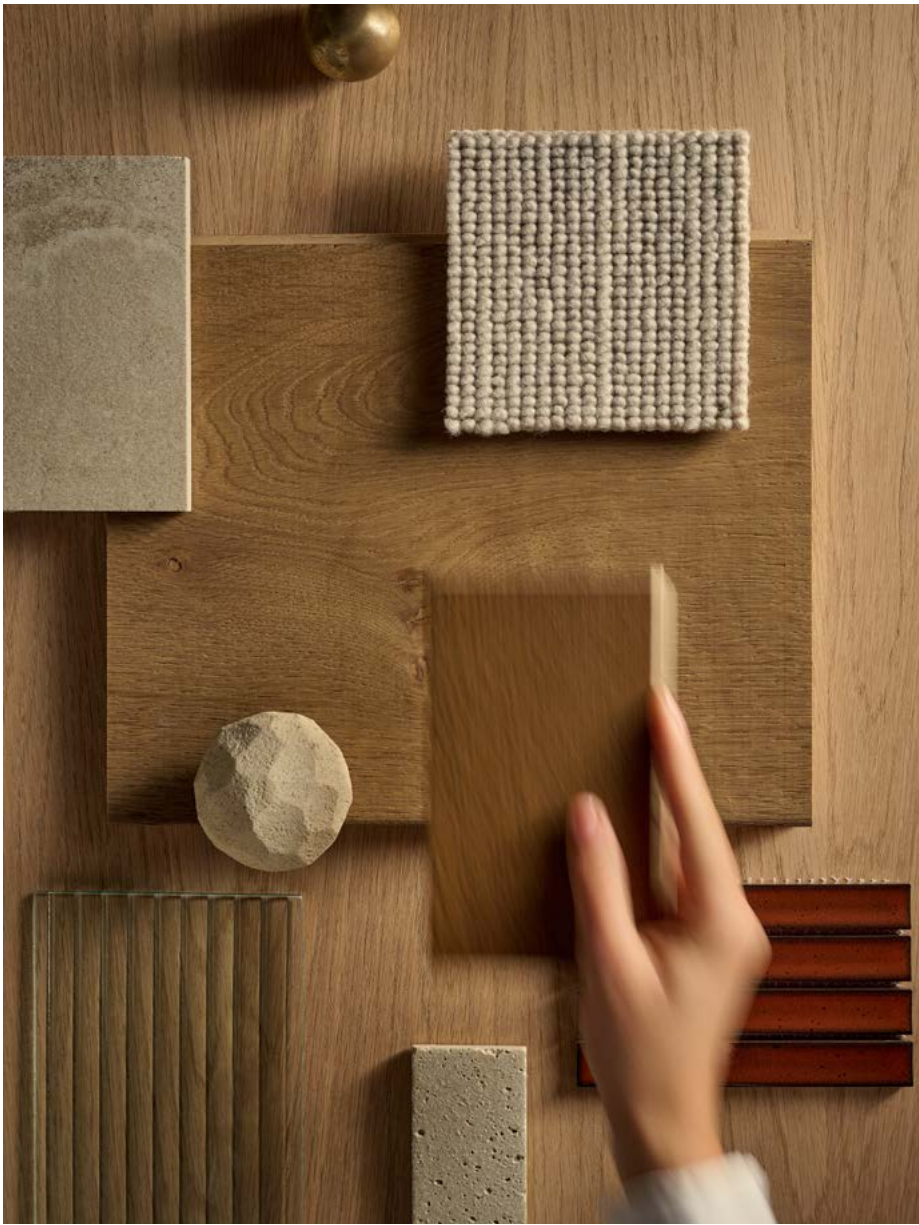

Like life, oak's imperfections make it beautiful. It's in its nature. But that doesn't stop us from pursuing perfection in our craft. Every ounce of our efforts goes toward providing your space with the foundations for a life well lived.

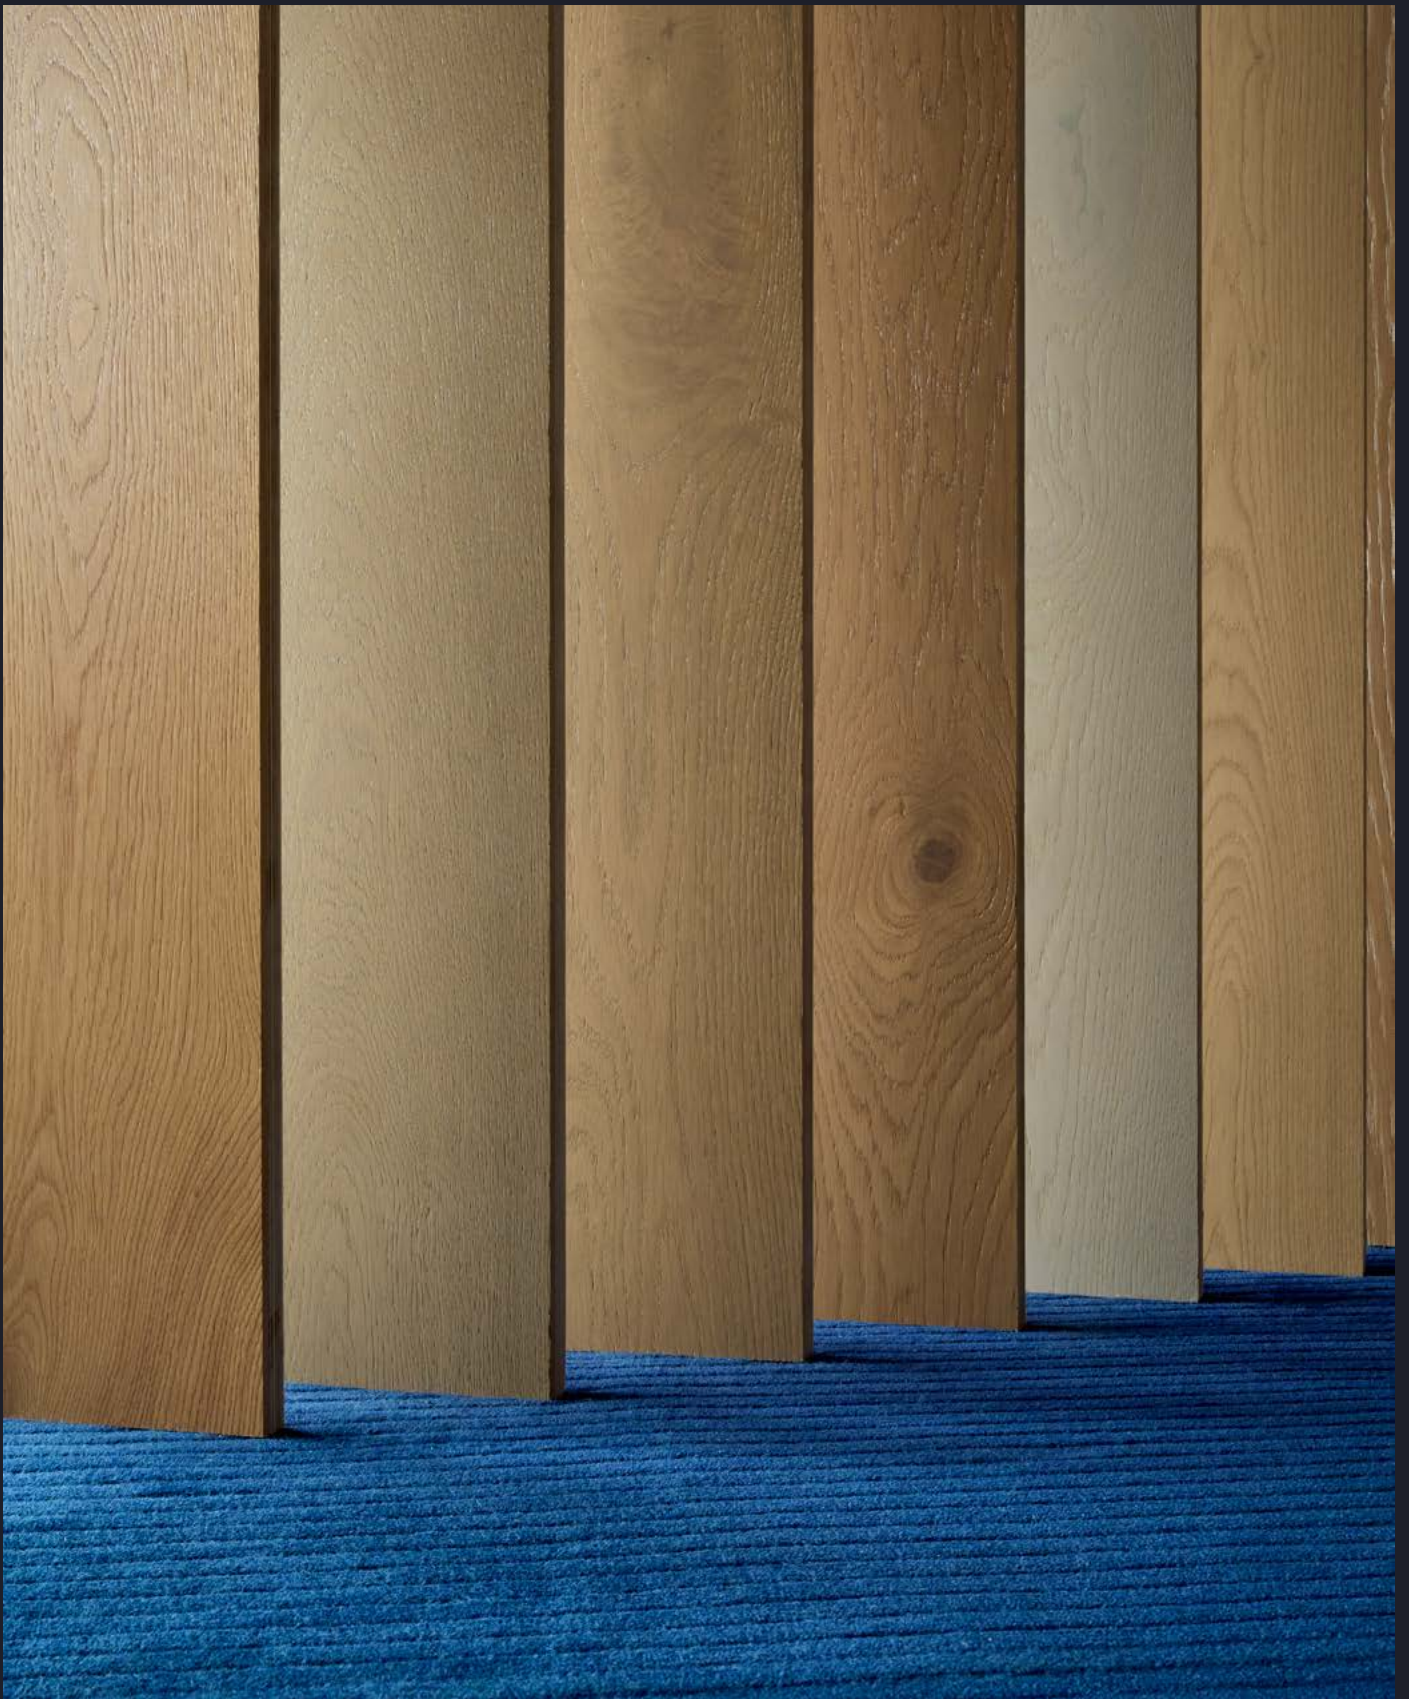

We work with the architecture and design community to create engineered oak floors that are uniquely tailored to Australia's people, place, and culture. Our vision is to inspire designers and homeowners who are creating a new vernacular for high-end Australian interiors.

THE

ARCHITECT

COLLECTION

Architects and designers not only shape where we live and work, but how we do so. Our Architect Collection sets the foundation from which interiors grow and evolve into extraordinary places to be in.

At the intersection of materiality, thoughtful design, and obsession with detail, our Architect Collection is all about finding balance beyond fashion and time. It has been developed in close collaboration with leading Australian architects and designers in response to shifting and increasingly diverse aesthetic sensibilities.

The Architect Collection is crafted from carefully-selected, sustainable-sourced oak for a refined aesthetic. The boards are available in a range of wide board sizes and patterns including Herringbone and Chevron.

1. Dune

2. White Smoked

3. Light Oak

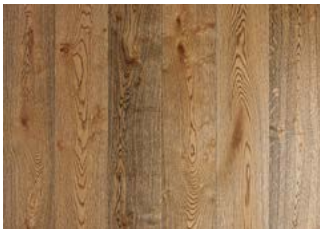

4. Natural Suede

5. Tanned Oak

6. Toasted Oak

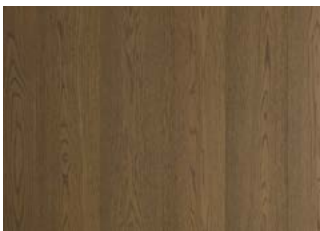

7. Smoked & Black

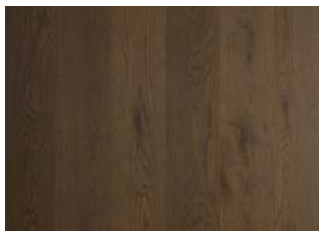

8. Saddle Oak

9. Marle

10. Cashmere

11. Sable

12. Dark Oak

The Architect Collection is available in a 4mm or 6mm oak layer.

Board

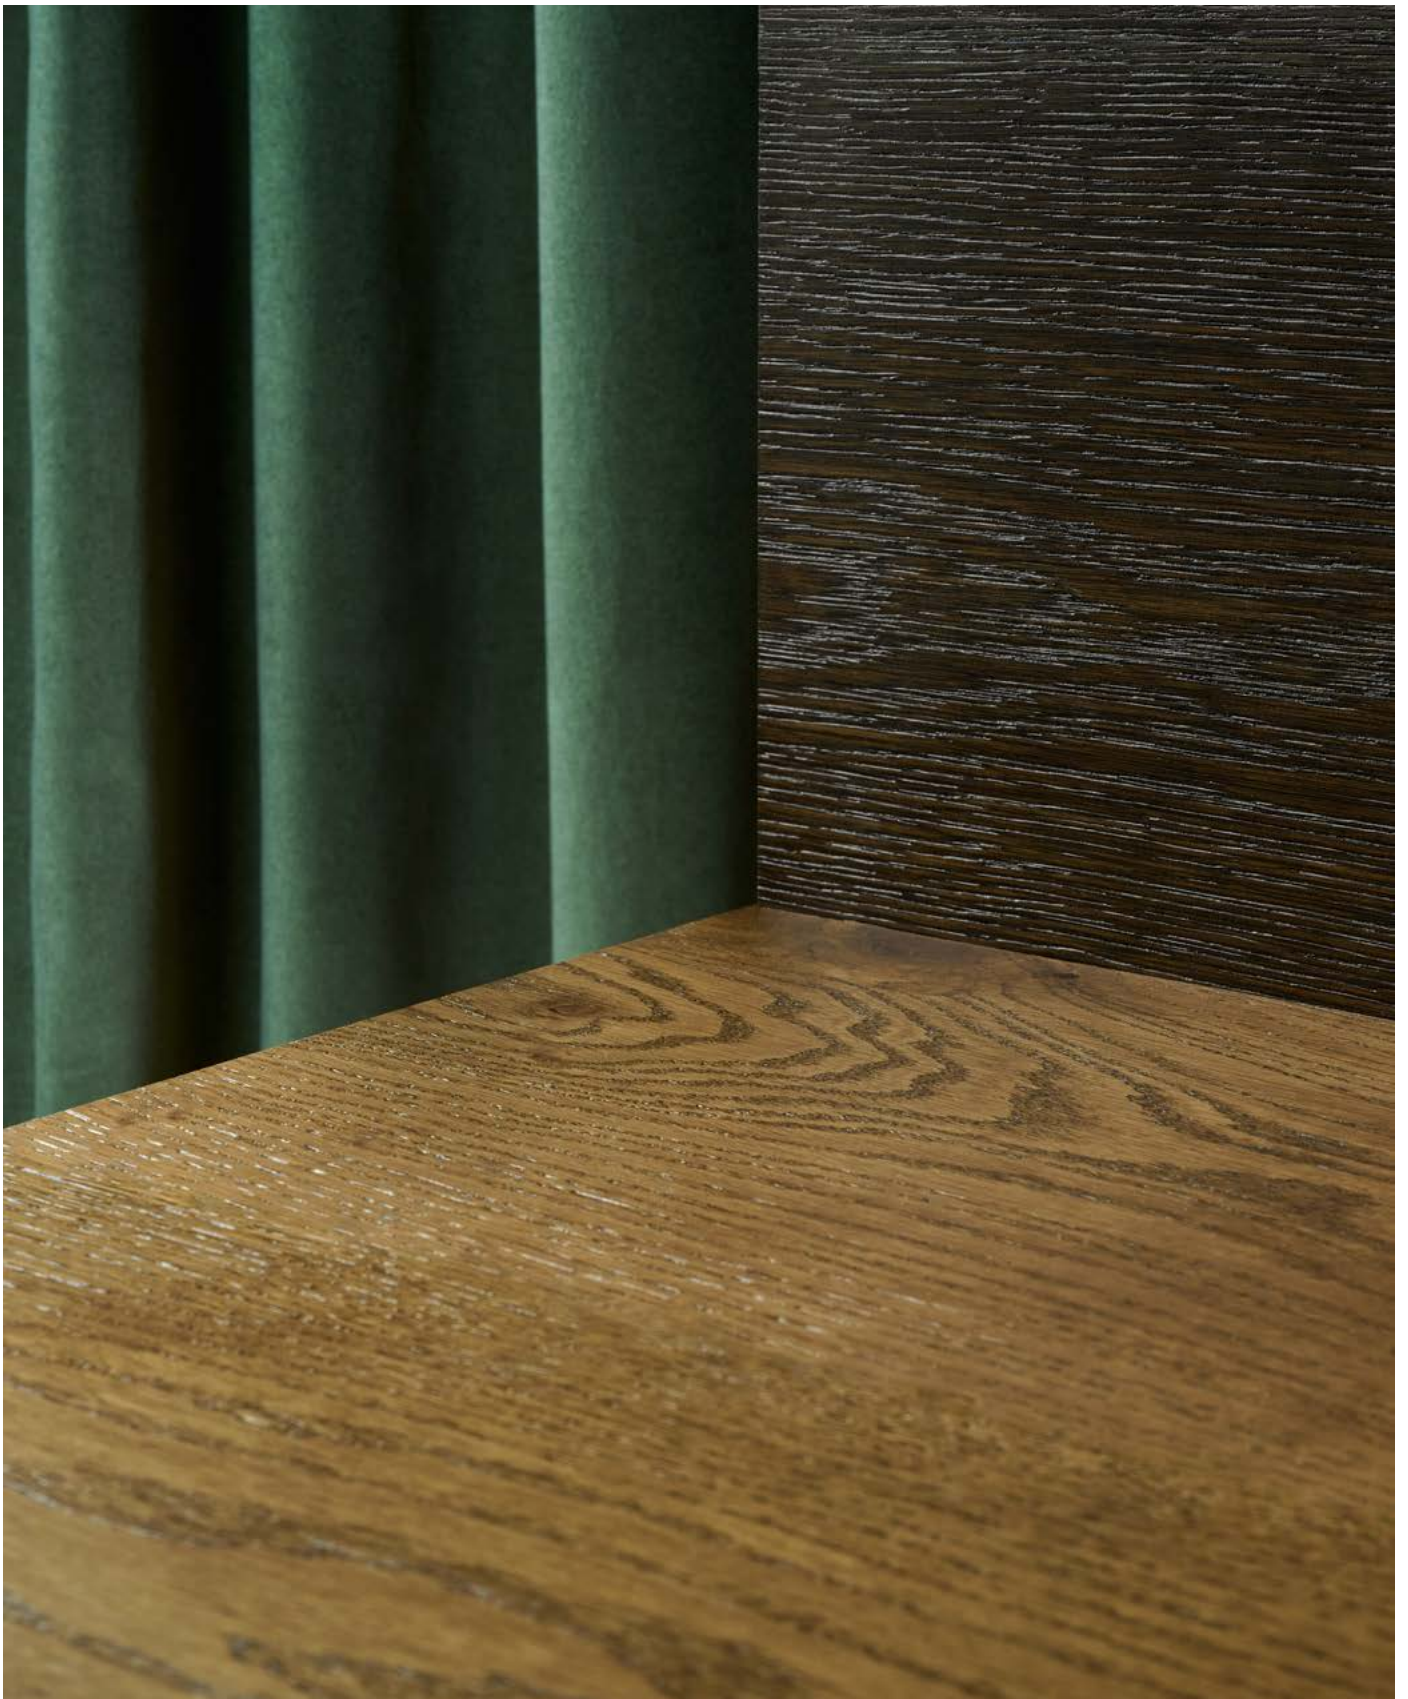

90mm x 1900mm x 15mm
190mm x 1900mm x 15/20mm
260mm x 2200mm x 15/20mm

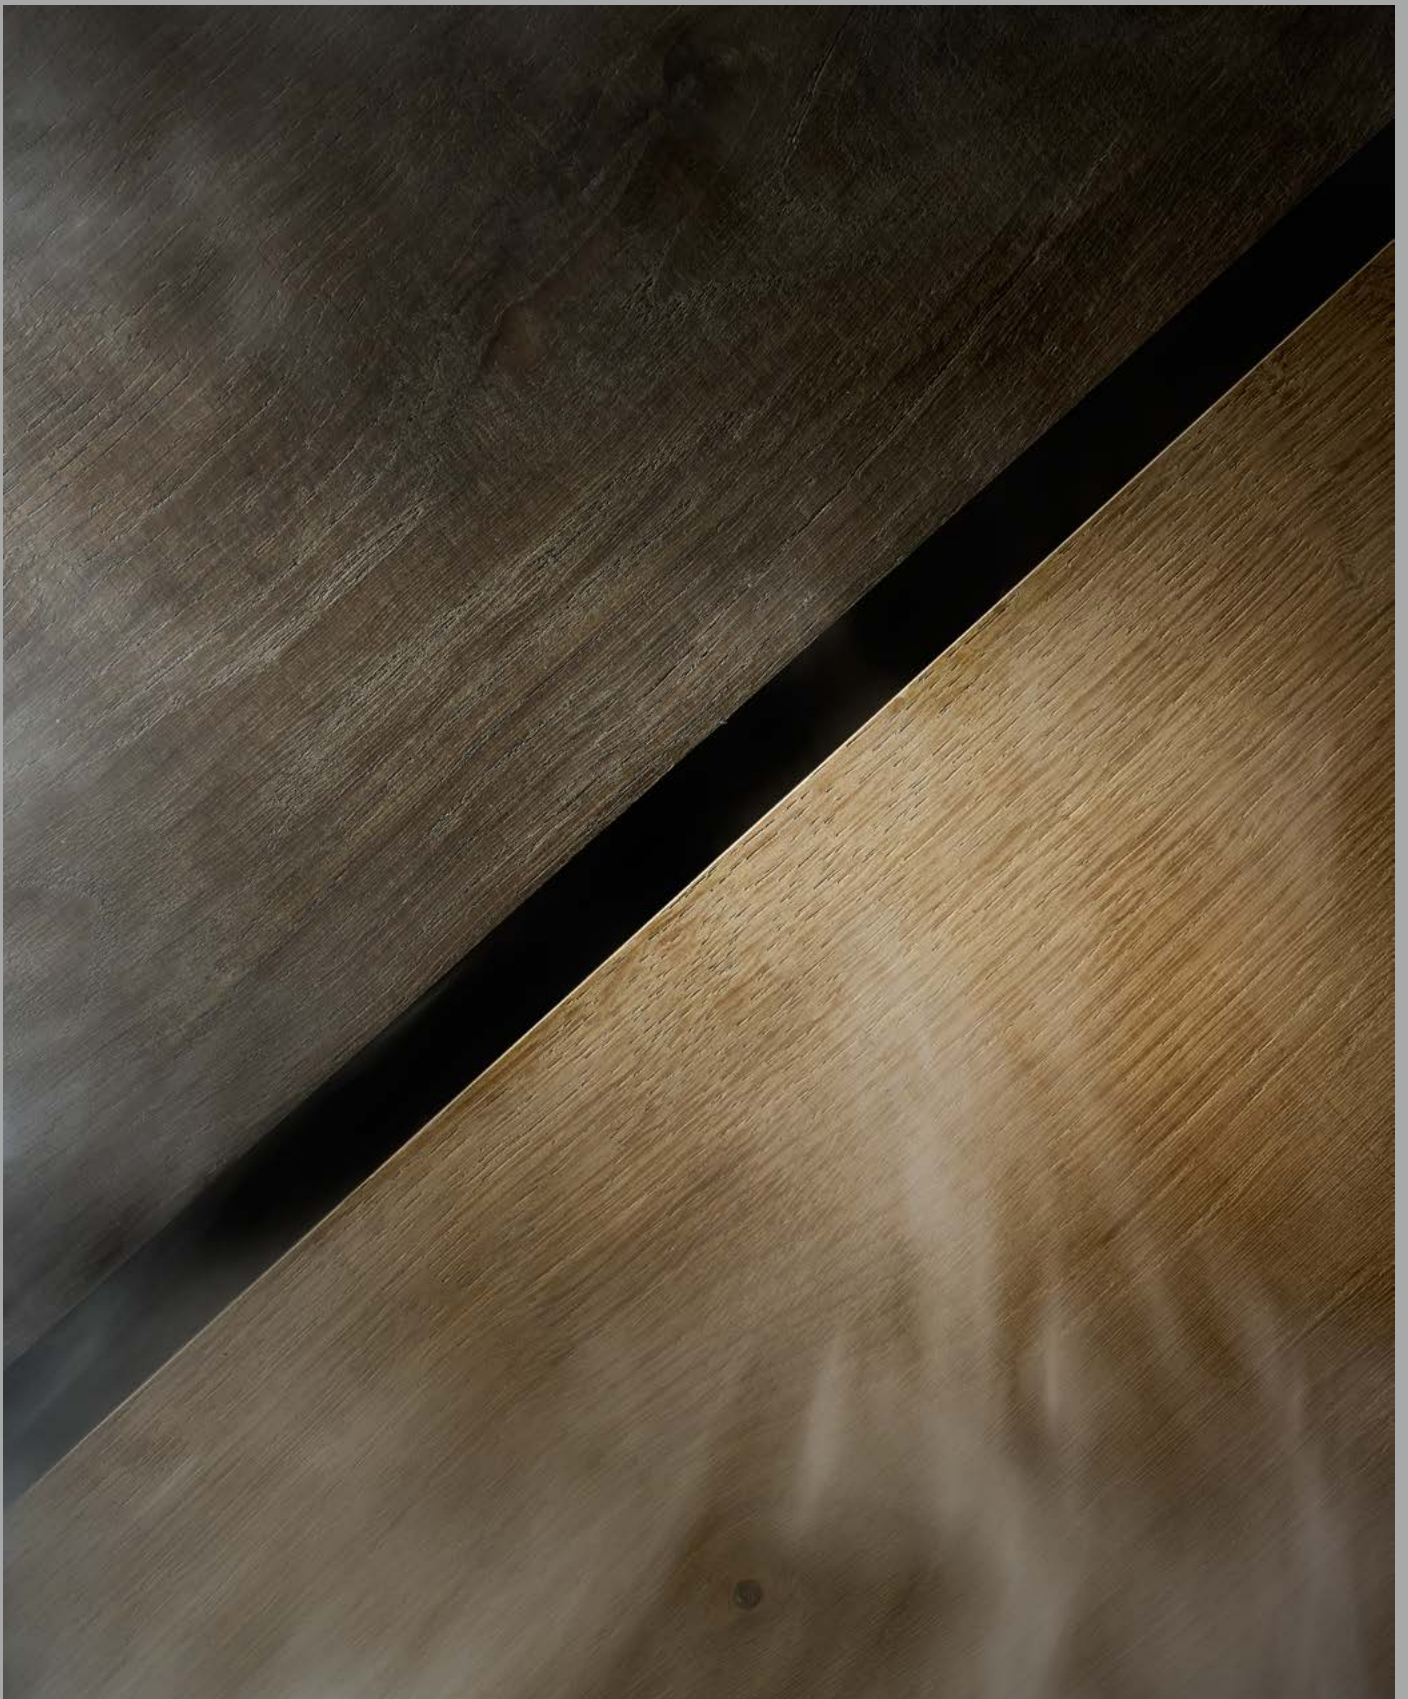

Herringbone

90mm x 450mm x 15mm
148mm x 888mm x 15mm

Chevron

90mm x 520mm x 15mm

THE

HERITAGE

COLLECTION

Imagine basking in the warm glow of another time and place. A curated aesthetic; grainy, earthy, and characterful, reminiscent of well-appointed whisky bars and charming farmhouses.

Every year, we host conversations with our community of local architects and designers. We listened, we imagined, and we responded with the Heritage Collection.

Crafted from single-source oak and specially-cured to emphasise grain and knots in shallow, textured relief, the Heritage Collection is crafted to perfection while celebrating the captivating “imperfection” of oak.

The Heritage Collection is designed to evoke the warmth of a time gone by with modern engineering to meet modern demands. The 19mm thick boards are available in 250mm and 300mm width boards and longer lengths.

1. Turner

2. Merchant

3. Cooper

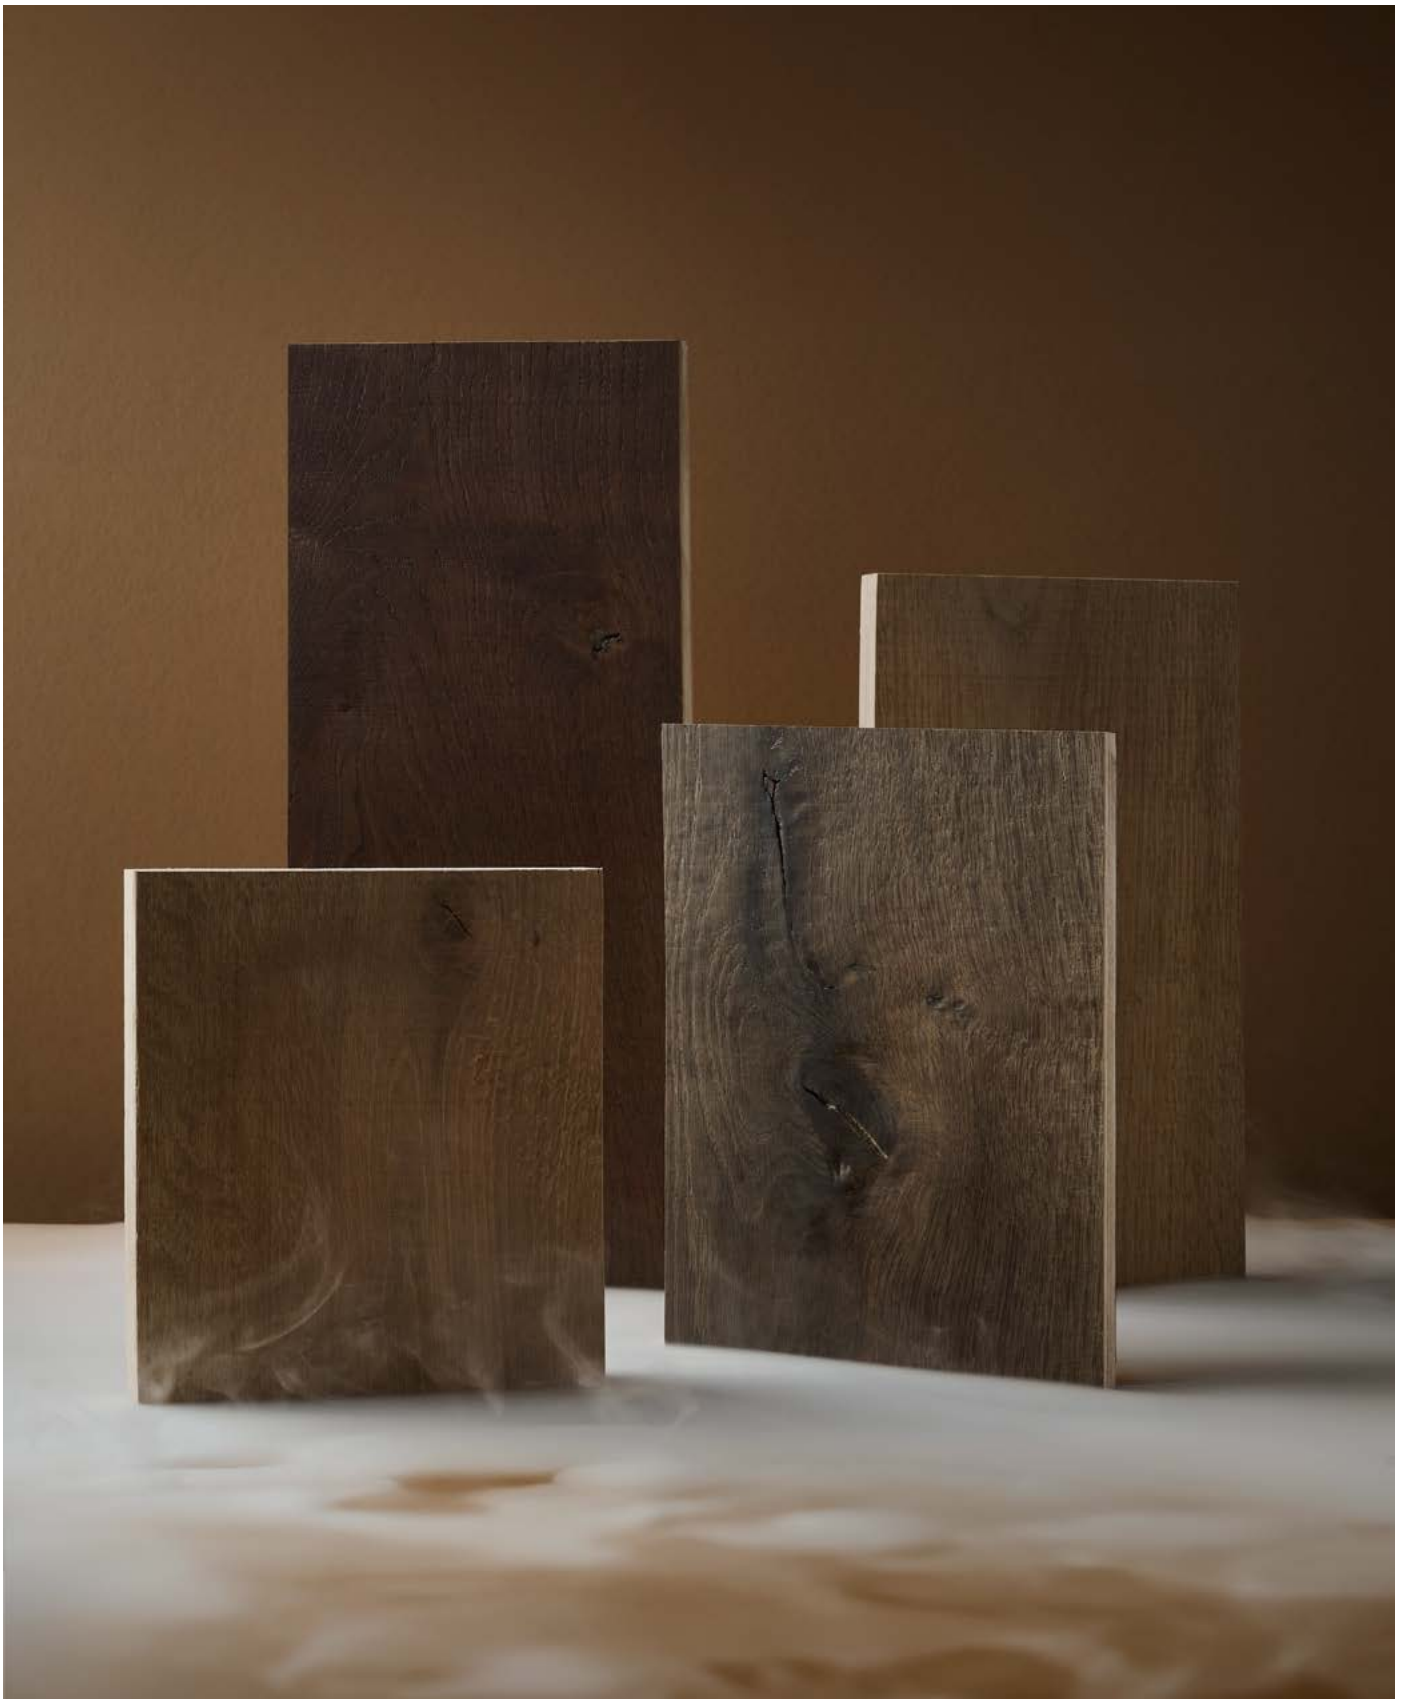

4. Feller

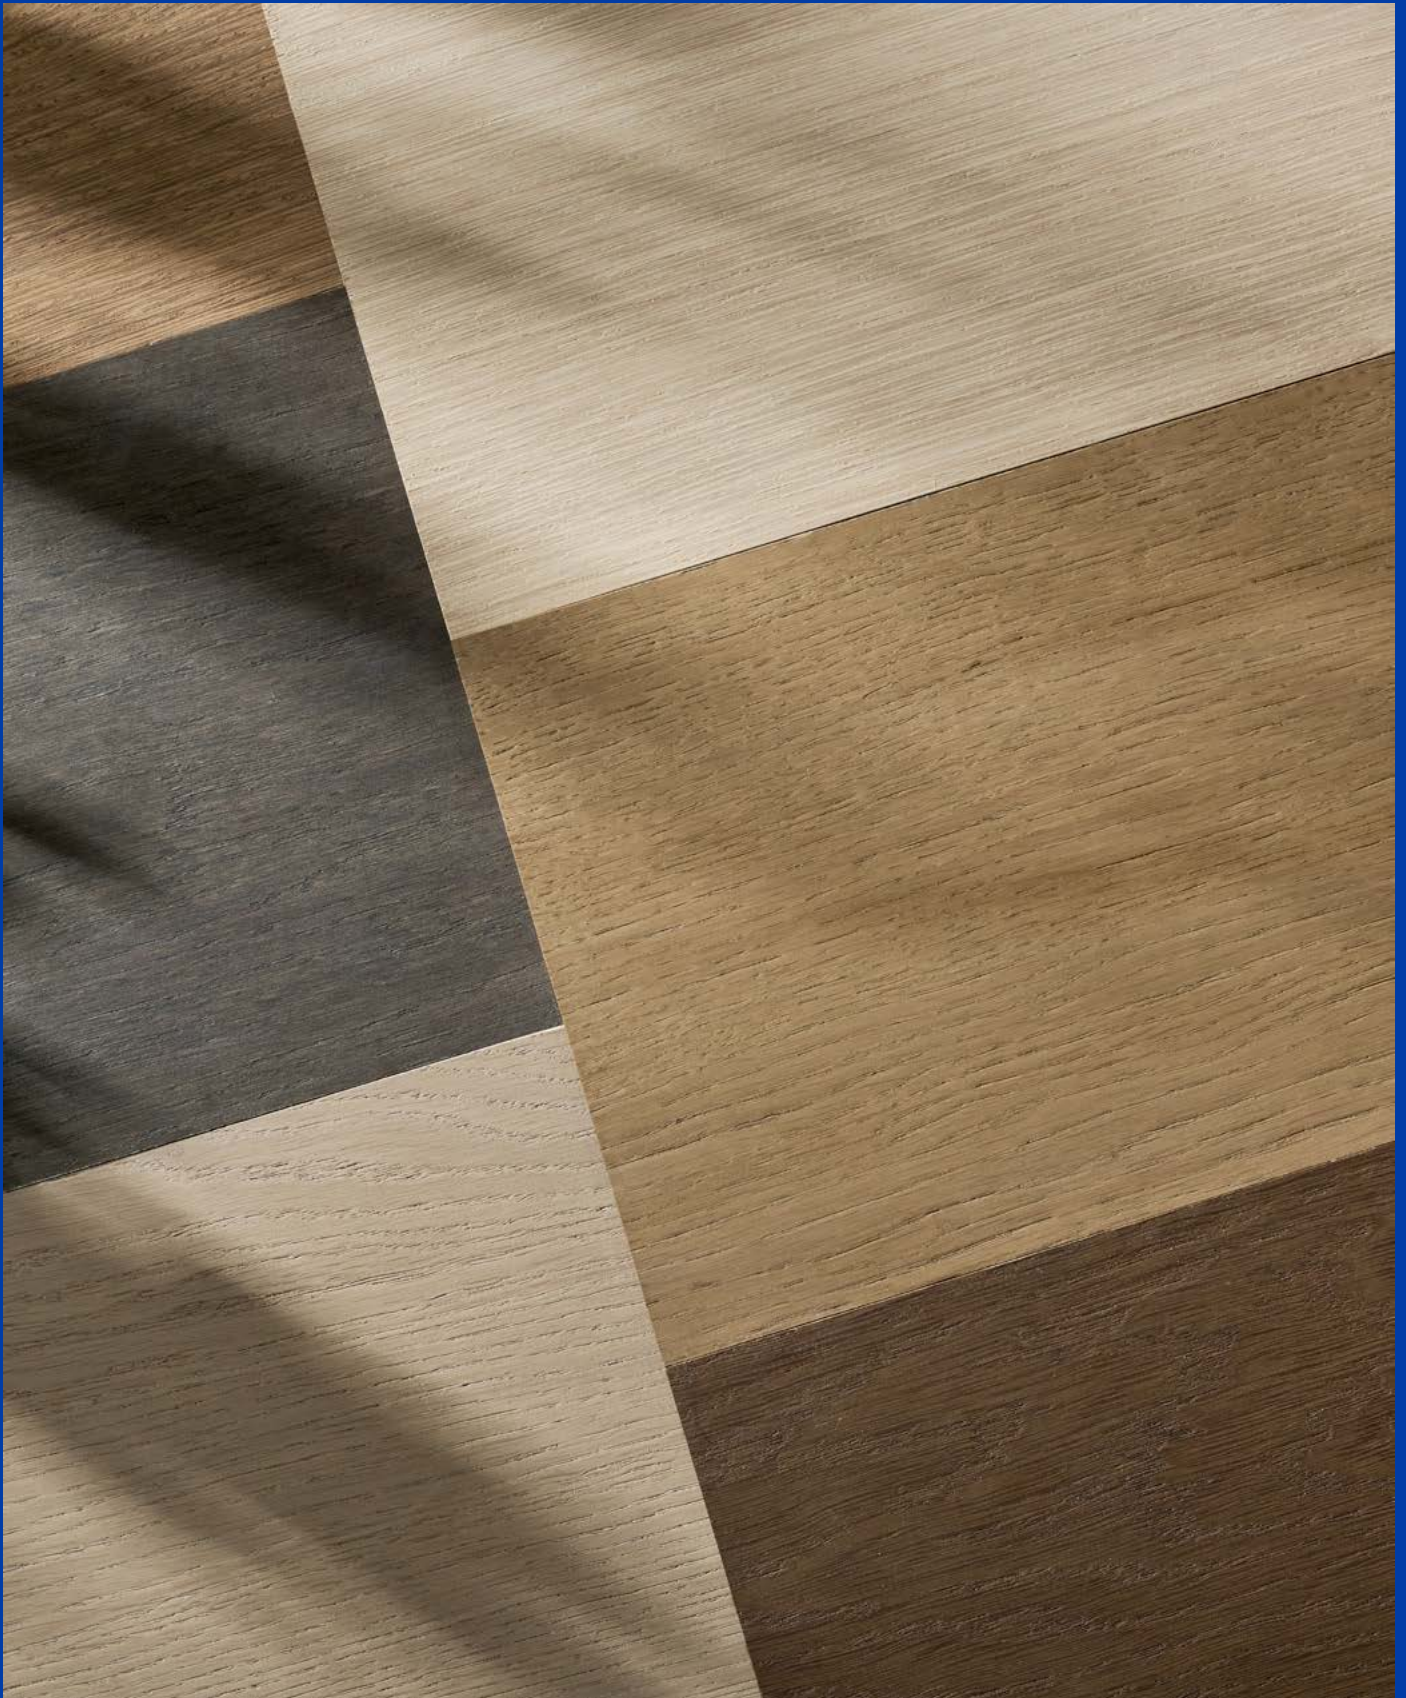

The Heritage Collection is available in a 5mm oak layer.

Board

250mm x 2500mm x 19mm
300mm x 3000mm x 19mm

THE

NATURAL

COLLECTION

We've listened carefully and responded to what our architect and design friends have asked for. Introducing the Natural Collection; a range with a contemporary aesthetic that catalyses creative expression and elevates with effortless elegance.

To step into a room with a floor from The Natural Collection is to step into serenity. Into a space with lightness you can feel, with a floor that rejects the artificial, the superfluous, and the distracting.

The Natural Collection is made from specially-selected, single-source oak with an oxidative lacquer for durability and rigorously graded for consistency. It is available in both 15mm and 20mm thicknesses and in 190mm, 250mm and 300mm oak widths.

1. Linen

2. Canvas

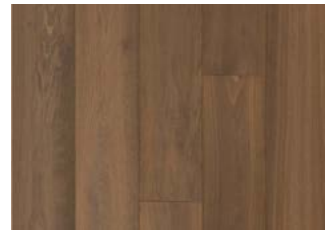

3. Sandstone

4. Fawn

5. Husk

6. Ember

7. Graphite

The Natural Collection is available in a 4mm or 6mm oak layer.

Board

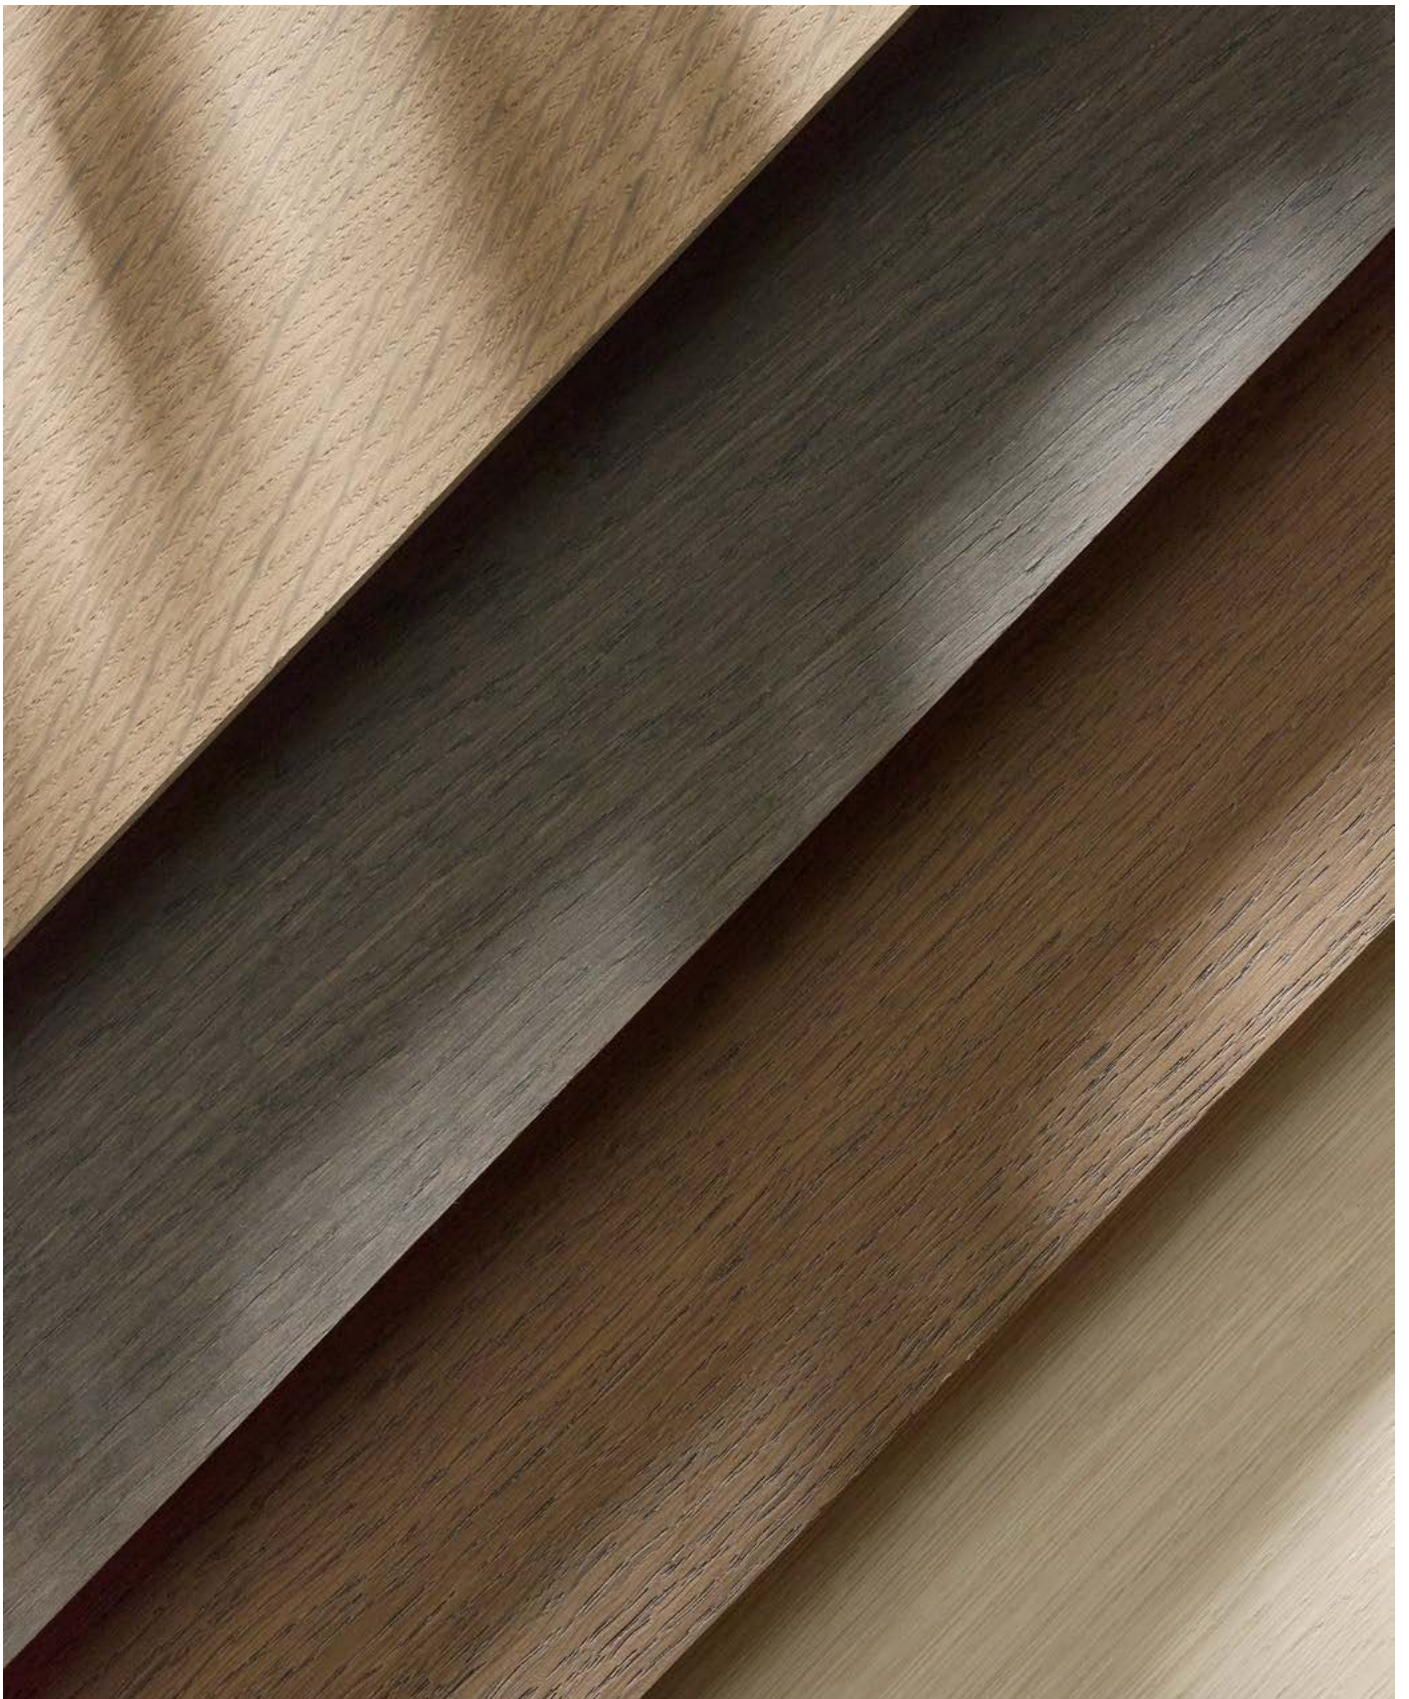

190mm x 2200mm x 15/20mm
250mm x 2500mm x 20mm
300mm x 3000mm x 20mm

Herringbone

140mm x 700mm x 20mm

Chevron

140mm x 700mm x 20mm

THE

ARTISAN

COLLECTION

Dynamic and distinguished, our Artisan Collection showcases the unique colours, textures and character of timber to elevate interior spaces. Featuring European Oak and a wide range of colours, tones and textural styles, the collection caters to a refined design sensibility.

The unique aesthetic of each flooring in this collection is elevated by the treatment of the natural timber, which is carefully hand worked by artisans to bring out the features and natural characteristics. Artisan Collection boards are available in a variety of dimensions, ready to create the foundation of your distinct interior style.

1. Aged Smoked & Limed

2. Wheat Fields

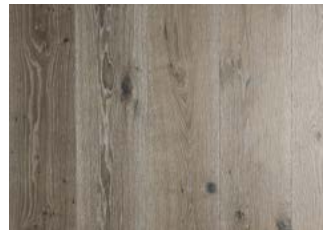

3. Aged Smoked

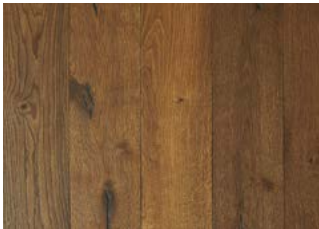

4. Arctic Grey

5. Ash Grey

6. Peppercorn Grey

7. Antique Ale Brown

8. Antique Stout Brown

The Artisan Collection is available in a 4mm or 6mm oak layer. Not all colours available in all sizes.

Board	Herringbone
189mm x 1830mm x 15/20mm 260mm x 2200mm x 15/20mm	148mm x 888mm x 15mm

Lacquered versus oiled

There are two schools of thought and two distinct aesthetics when it comes to engineered oak floor finishes. We advocate both, but recommend lacquer as it is better suited to withstand the rigours of the Australian way of life.

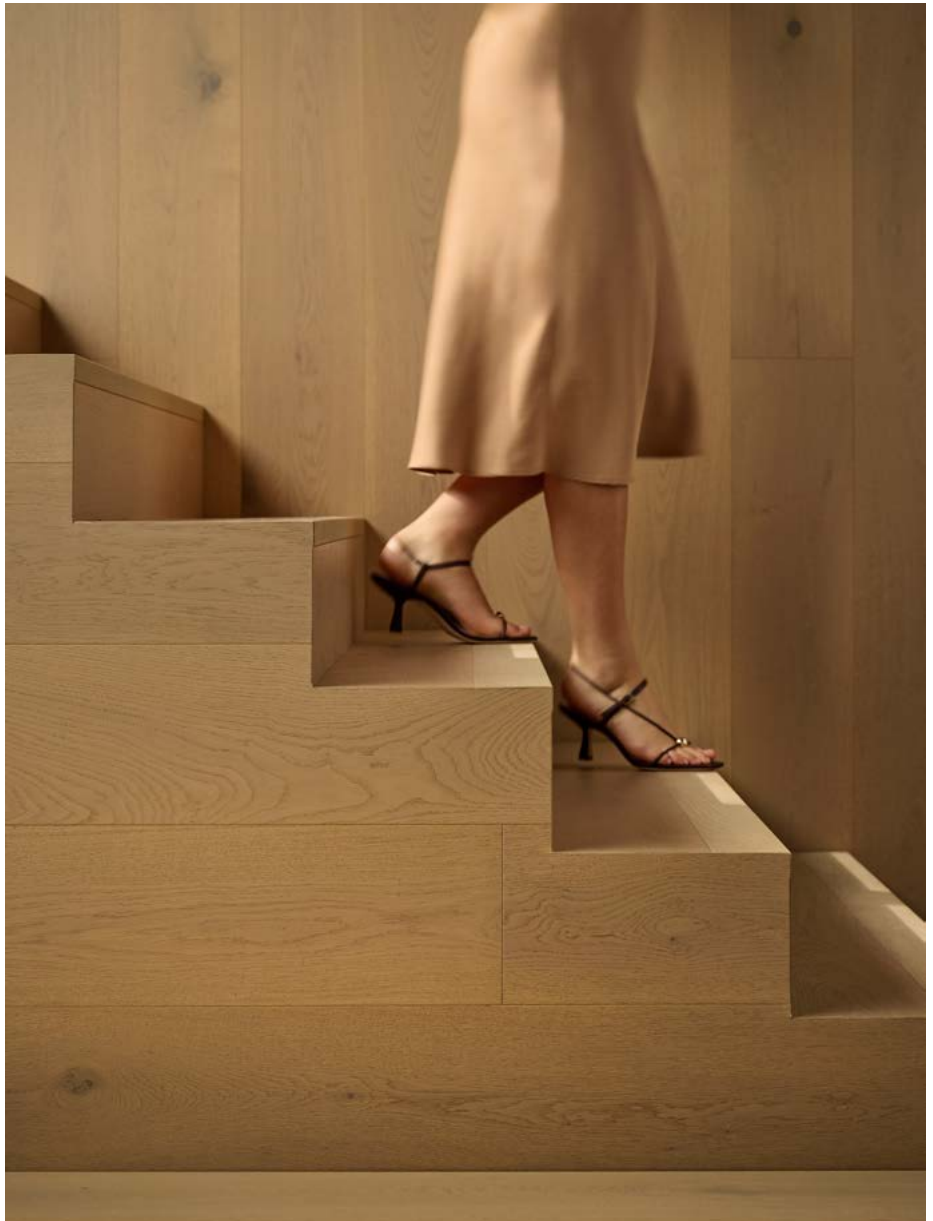

Sustainably sourced

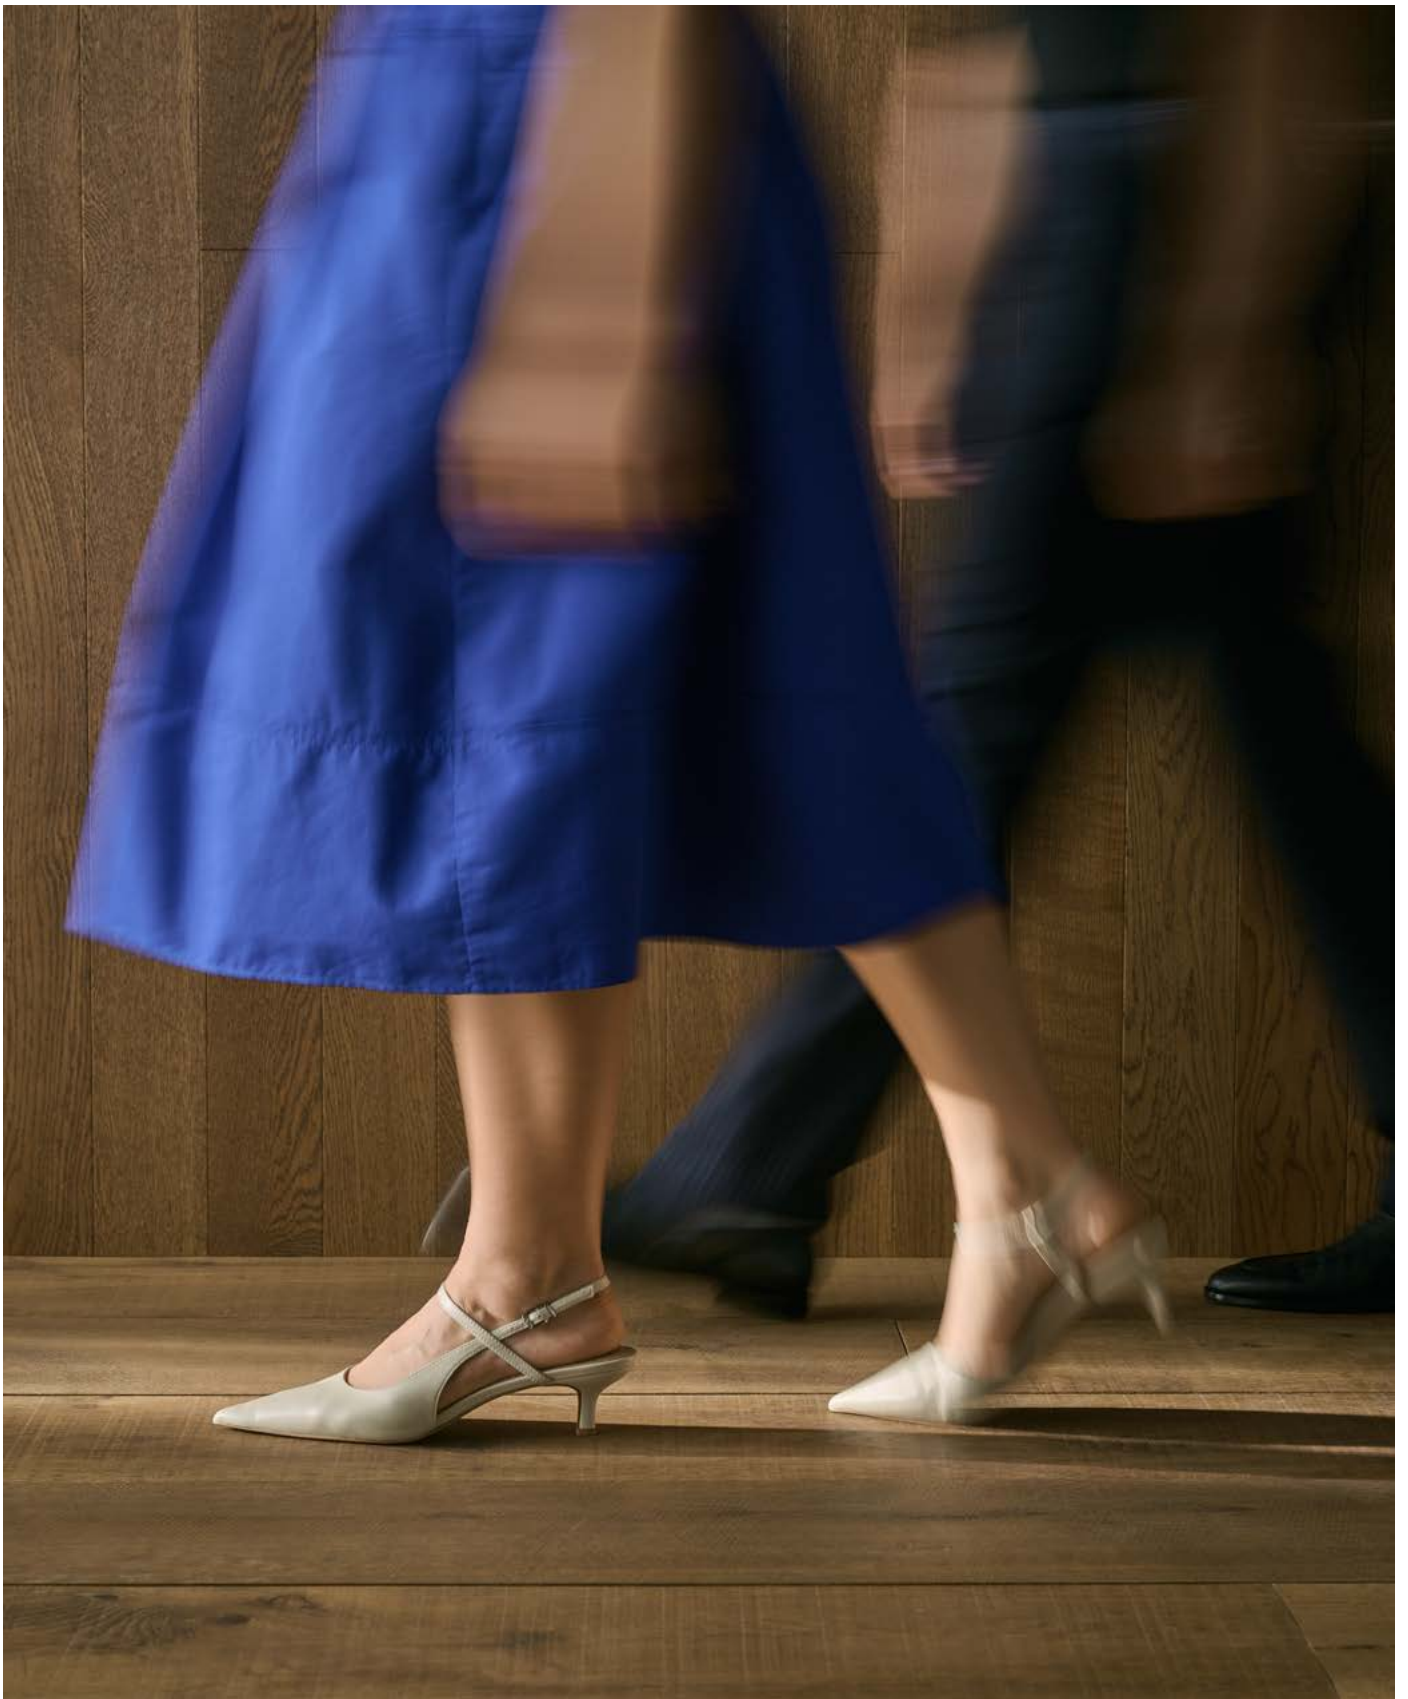

All timber components are sourced from FSC®-certified forests, managed in line with rigorous standards that support sustainable forestry, protect biodiversity, and respect the rights of Indigenous Peoples, workers, and local communities.

Solid oak stair nosing

Our solid oak nosings offer superior durability and longevity compared with engineered nosings. They are available in a variety of lengths to suit all thicknesses.

There is nothing quite like standing on, seeing, and touching the real thing. Visit your closest showroom for a consultation with one of our experts in Melbourne or Sydney.
